Internship Opportunities

Nursing Internship

This position assists with basic patient care under the direction of licensed staff. The role supports safe, quality care by working as part of the care team.

Radiology Internship

This position supports radiology patients by scheduling exams, coordinates with clinical staff, communicates preparation instructions, and manages documentation.

Rehab Services Internship

This position assists and shadows therapists, prepares treatment areas, maintains equipment and supplies, and completes clerical tasks.

“I became interested in this internship because of the amazing opportunities that seemed to be presented, but I didn't realize the amount of opportunities I would really experience.”

- **Lola Mendlik**
2025 Nursing Intern
