

CCMH INTERN TESTIMONIAL

Kind Words from Lola Mendlik, 2025 Nursing Intern

"I wanted to take a moment to sincerely thank you for the incredible opportunity to be part of the summer internship program at CCMH. This experience has been incredibly rewarding, and I'm truly grateful for the chance to learn and grow in such a supportive and inspiring environment. The support this hospital has, not only for the patients, but also for each other, is admirable. It was encouraging to see how you handle challenging situations with empathy and grace, always putting patients' needs first while uplifting one another along the way. Throughout the internship, I learned so much from clinical skills and patient care techniques to time management, money management, and communication.

Beyond technical knowledge, I have also gained a deeper understanding of what it means to be a truly healthcare worker. The mentorship and guidance I received helped me build confidence and reconfirmed my passion for a career in healthcare. Thank you again for welcoming me into your team, for your patience, and for investing your time in my development. I leave this internship inspired and excited for the road ahead, and I hope to carry the lessons I have learned here throughout my next journey."
